

Smart Flour White Breads

In recent years, there has been a massive shift from “good enough” foods to “healthier is better” foods, in just about every food category. Smart Flour’s White Breads bring the best attributes from our original ancient grain breads, but with the extraordinary classic taste of what you would expect from a traditional white bread.

Culinary driven for profit and guest support

Guests want a superior option; they are no longer looking for “good enough” when it comes to gluten-free. Help drive a higher check average with quality products that guests can count on.

Committed to high performance and simple kitchen processes

We realize that a functional kitchen is a happy kitchen; low ticket times and few errors during even the busiest shifts is always the goal.

Is this really gluten-free AND vegan?

Yes, you read that right. We’re here to help you streamline your menu and cater to MANY dietary needs.

Dual application and easy handling

We pride our breads in being able to handle even the messiest of handhelds; don’t be afraid to throw on the extra sauce, juicy tomatoes or heaviest of meats. We dare you to test out the boundaries of what these breads can hold up to.

Our breads are simply thaw/serve, come individually wrapped, AND have an ambient shelf life of 5 days. Could it make your kitchen process any simpler?

Smart Flour Ancient Grain Breads

If you're looking for a carrier that's worthy of an award, you've come to the right place. With the perfect amount of hearty taste and texture, be sure to "wow" every guest, regardless of dietary needs/restrictions.

Is this really gluten-free AND vegan?

We get asked this a lot...no, really. Our ancient grain breads have truly outdone the gluten-free sandwich market that will drive your guests back for repeated visits. It's always a great tool to have a one-up on the competition when it comes to "the veto vote"!

Change in landscape

We know that operators tend to take advantage of offering products that are multi-purpose and will cater to SEVERAL lifestyles and dietary needs.

Dual application and easy handling

We certainly made our breads with your biggest sandwich connoisseurs in mind - with the right amount of rise and texture, our ancient grain breads work flawlessly for both hot and cold applications. What makes Smart Flour's breads even better is that these are simply thaw/serve, and have an ambient shelf life of 5 days...welcome to hassle-free, health-forward options of the future!
