

Smart Flour White Hamburger Bun

Smart Flour's White Hamburger Bun brings the best attributes from our original hoagie rolls but with the extraordinary classic taste of airy, white bread.

Did we mention these are gluten-free AND vegan?

Yes, you read that right. In addition to being airy with superior taste and texture, our newest additions are vegan to help you streamline your menu and cater to MANY dietary needs. This will certainly be music to your customers' ears.

Dual application and easy handling

We pride our hamburger buns in being able to handle even the messiest of handhelds; don't be afraid to throw on the extra sauce, juicy tomatoes or heaviest of patties. We dare you to test out the boundaries of what these breads can hold up to.

In case we haven't convinced you that these are a MUST HAVE on your menu, our breads are simply thaw/serve, come individually wrapped, AND have an ambient shelf life of 5 days. Could it make your kitchen process any simpler?

Culinary driven for maximum profit and guest support

Guests want a superior option; they are no longer looking for "good enough" when it comes to gluten-free. Help drive a higher check average with quality products that guests can count on.
