

Smart Flour Ancient Grain Pizza Crusts

In recent years, there has been a massive shift from “good enough” foods to “healthier is better” foods, in just about every food category. More and more restaurants are including plant-based and healthier options on their menus and you probably won’t be surprised that “plant based options” is currently the #1 trend in the industry as of now.

Culinary driven for maximum profit and guest support

Guests want a superior option; they are no longer looking for “good enough” when it comes to gluten-free. Help drive a higher check average with quality products that guests can consistently count on.

Committed to high performance and simple kitchen processes

We realize that a functional kitchen is a happy kitchen; low ticket times and few errors during even the busiest shifts is always the goal.

 **Bakes at the same time/temp as regular pizza crusts**
Easy on the kitchen to produce ideally-baked pizzas for every order, every time.

 **Works great in a variety of ovens/temperatures**
Simple processes for specialty items make prep easy on the kitchen staff. Less chance of over or under-cooking for a perfect pizza.

Gluten-Free, Vegan, and Contains ZERO Top 8 Allergens

We firmly believe in “quality over quantity”. Our ancient grain crusts are vegan and contain ZERO of the top allergens (eggs, soy, dairy, gluten, fish/shellfish, tree nuts, peanuts and wheat).

Smart Flour Vegan Cauliflower Pizza Crust

The “plant-based food craze” has taken the world by storm and for good reason. Many restaurants across the country are including several plant-based options on their menus, to cater to the ‘healthier is better’ crowd. Would you be surprised if we told you that “plant-based options” is the #1 growing category in the industry?

Culinary driven for maximum profit and guest support

Guests want a superior option; they are no longer looking for “good enough” when it comes to gluten-free. Help drive a higher check average with quality products that guests can consistently count on.

Bakes at the same time/temp as regular pizza crusts

No need to change your normal process, other than to avoid cross-contamination. Easy on the kitchen staff to produce ideally-baked gluten-free pizzas every time.

Works great in a variety of ovens/temperatures

Universally simple for kitchen implementation. Simple processes for gluten-free items make prep easy on the kitchen staff. Less chance of over or under-cooking for a perfect pizza, every time.

WHAT ARE THE BENEFITS OF A CAULIFLOWER CRUST?

CONTAINS THE ‘GOOD STUFF’, LEAVING OUT THE FILLERS + CARBS

High in fiber – one cup of cauliflower delivers nearly 10% of the recommended amount of fiber. High fiber foods help with digestion in a healthy diet. Cauliflower also delivers important vitamins and minerals – Vitamin C, B6 and 12.
